National Autism Association wants to educate and empower families affected by autism and other neurological disorders, while advocating on behalf of those who cannot fight for their own rights. We encourage families to help their loved ones reach their full potential, by funding efforts toward this end. The national

group of NAA accepts applications through May 15, 2010 for their Helping Hand Program. The local group, NAA-NEO has separate funding; contact: Andrea Patterson, 216-544-1231.

The UnitedHealthcare Children's Foundation is dedicated to facilitating access to medical-related services that have the potential to significantly enhance either the clinical condition or the quality of life of the child. This "support" is in the form of a medical grant to be used for medical services not covered or not completely covered by commercial health

benefit plans. Applications accepted year-round.
